To Southern Downs Regional Council,

On behalf of the Community Engagement Community and Queensland Corrective Services, we would like to express our appreciation towards you and all your staff.

It appears that no job is too big or too small as your conscientious staff continue to maintain our equipment all year round.

There has been times when our mowers have broken down and your staff have gone above and beyond to fix these machines so the projects can be completed.

On behalf of the Warwick Work Camp staff, and our girls, we would like to say, thank you for all your good hard work and we look forward to continuing our wonderful relationship in the near future.

Kind regards,

CSO Judith Stremouchiw
