Owners of dogs which are kept in a kennel in accordance with the Planning Scheme shall be entitled to a 50% reduction in fees for the first 20 dogs kept at the kennel and a 75% reduction in fees for all dogs in excess of the first 20 dogs kept at the kennel, subject to the kennel complying with the conditions of the planning permit for the use of the site as a kennel, and the Animal Management (Cats & Dogs) Act 2008. Council may cancel this reduction in fees at any time where circumstances change or where matters of non compliance with the planning approval, Local Law or the Act occur.

Owners of dogs who produce evidence that dogs are registered with the appropriate authorities as Assistance dogs shall not be charged a registration fee.

NOTE: OWNERS OF DOGS ARE ONLY ENTITLED TO ONE REDUCTION IN FEES DEPENDING ON THEIR CIRCUMSTANCES AND CANNOT OBTAIN A NUMBER OF DIFFERENT REDUCTIONS FOR THE SAME DOG.

A 50% refund may be sought on cancellation of registration before 30 June because of death of dog or relocation of dog. This refund must be requested in writing.

Combined applications (involving more than one type of development) and/or multiple land uses

Fees for a combined application are to be the sum of those fees that would have been required in the event of a separate development application being lodged for each type (e.g. Material Change of Use, Reconfiguration of a Lot, Building Work and Operational Work).

Where an application involves more than one type of land use, then the fee is to be based on the highest land use fee for the application.

Refund of Fees for Withdrawn Applications

- Decision Stage: Nil

Note: If an application lapses during the Development Assessment process no refund of fees is applicable.
